20TH ANNUAL EDUCATORS CONFERENCE AT MONTCLAIR STATE UNIVERSITY

Friday October 23, 2009 • Montclair State University, Montclair, NJ

Conference Information

ABOUT KEYNOTE SPEAKER DICK PIAZZA:

Dick Piazza is a career educator with 40 years experience as a teacher and administrator. Through his company, Awakenings, he has been providing school districts with training and coaching in Brain-Compatible Learning and 4MAT, a design for implementing current brain research in schools. Dick also provides workshops in gender brain differences through the Gurian Institute in Colorado Springs. The workshops are called "Boys and Girls Learn Differently."

Highlights of Mr. Piazza's Address will include the following:

- **Strategies for Teaching Boys and Girls**
Tune into gender differences in learning through a half dozen strategies and activities that help teachers to recognize and appreciate these differences. Nurture the natures of boys and girls!
- **Brain-Compatible Learning Strategies**
- **Gender Brain Differences**
- **How Do Children Learn Best?**
- **4MAT (integrates the latest understandings of brain research, learning styles, and multiple intelligences.)**
- **Teaching to Kids' Brains: Building on the Natural Learning Cycle**
